## Coaching Education Program Requirements

### (1) Required Coaching Education Program Levels for Ice Hockey

... (a) All coaches must enter USA Hockey's Coaching Education Program at Level 1, and must continue their education with a coaching clinic each year until, at a minimum, they achieve Level 3. EXCEPTION: Coaches of 8U or younger players may remain at Level 1 or their current level. A coach may attend only one (1) certification clinic per year (not including age-specific requirements). Coaches who do not coach in continuous years must re-enter the program at the next level when they resume coaching responsibilities. Once Level 3 is achieved, periodic renewal [as outlined in Paragraph (c) below] is required for coaches who have not achieved Level 4. Coaches of national tournament bound teams (Tier I 14U, 16U and 18/19U and Tier II 16U and 18/19U) must complete Level 4 in their fourth season of coaching. Coaches who attain Level 4 certification are not required to attend any further certification clinics but must adhere to the age-specific requirement as outlined in Paragraph (b) below...
